

Pendleton County Schools **Public Participation Request**

Pendleton County School District is seeking ideas on School Nutrition and Wellness feedback on the School Nutrition and Wellness policy. This report is provided in compliance with KRS 158.856 as an overview of the nutrition and physical activity available in the Pendleton County School system with the recommendation for areas of improvement. The Board will review any recommendations offered by the general public in developing a plan to be implemented. Please review the brochure below and provide any comments or recommendations to the Pendleton County Schools Food Service Director, Lisa Mitchell at lisa.mitchell@pendleton.kyschools.us

Thank you for your time and interest!
