

Phillip Sharp Middle School

Nomination form for SBDM Representative

2019-2020 School Year

It is time to elect our Parent Representatives for next year's School Based Decision Making (SBDM) Council. Any parent, step-parent, or legal guardian of a student enrolled at Sharp in the fall of 2019 is eligible to run for a seat on the council, providing they are not a district employee assigned to Sharp, a local school board member, or the spouse of a school board member.

The Phillip Sharp SBDM Council consists of an administrator, a district representative, three teachers, and two parents working together to determine school policies as they relate to the operation of the school. The council has one formal meeting each month, and meets at other times to complete training or to work on special projects or committees.

If you are interested in running for SBDM Council, please complete this form and return it to the front office of Sharp by **Friday, April 12th**. The election will be held on **Tuesday, April 16th, from 8:00 am – 5:00pm** in the front office. Parents, step-parents, and guardians of students enrolled at Sharp in the fall of 2019 are eligible to vote in the election.

Please note, if you nominate someone, they must sign the form indicating their consent to run.

I am interested in serving as one of the two parent representatives on the SBDM Council
